

Automated EasyRefill Program Summary

Sign up for Elixir's free Automated EasyRefill Program ("EasyRefill") and get your medications* refilled automatically and sent to your home. With EasyRefill, you never have to worry about missing a dose. Before your medication is shipped, you will receive two emails** notifying you of your upcoming order and the date your order will be processed. This way, you will always know when your medication will arrive. If you change your mind later, simply email or call us to change your preferences or disenroll in the program. (An authorized agent of the member may opt-in or opt-out prescription(s) within the program as well.)
