

## EnvisionRx and MedTrakRx are now Elixir!

As a pharmacy in our network, you are an important partner in helping us deliver medications to our members. We are excited to share with you that we are rebranding and, as of September 1st, will be known as Elixir.

While our name has changed, we are still the same company and prescriptions should be processed in the same way.

**What does this mean for your pharmacy?** The way you process prescriptions for our members will not change. The Bin, PCN numbers, Member ID and group numbers will remain the same. You may see cards with an old logo but all of the information needed to process the prescription will remain the same.

Thank you for being an important partner in our members' care.

Sincerely,

Elixir
